NVCC Hearts and Cars Banquet

Presented by:
Doreen Kinashi

A Touch of Class

Once again NVCC members came out and attended the annual Hearts and Cars Banquet at the Springfield Golf and Country Club. This year's theme was "A Touch of Class" which was reminiscent of the 1920's Art Deco era. Guests entered the ballroom to an elegant display of white tablecloths with black table toppers, black napkins, gold confetti hearts and candy bag favors and a bouquet of white flowers in a tower vase. Pearls and a black and white 1957 C-1 completed the center piece décor.

Cocktail Hour began with a selection of drinks from the bar. To this, the Country Club added vintage 1920's specialty cocktails straight out of the Great Gatsby; Bees Knees (gin), Mary Pickford (rum) and Sazerac (a rye whiskey drink very popular in New Orleans during the Jazz era). Although we added a variety of alcohol, gin was very popular during the 1920's. A choice of hors d'oeuvres were also served. Members had an opportunity to socialize and buy raffle tickets for a selection of over 60 prizes ranging from Corvette items, various gift baskets, gift certificates to include hotels, car wraps, oil changes, track time, and wine tasting, and high value items of jewelry, Film Source certificates and the coveted Corvette leather golf bag. The big winner of the evening was future daddy, Shawn Waddell with about \$1500 of prizes including the 50/50.

Jim McKay said a few words thanking members for attending the Banquet and I had the opportunity to thank the members of the Banquet Committee who were responsible for making this year's Hearts and Cars Banquet a very memorable event.

Thank you to the following members for all of your hard work: Carol and Paul Caporossi, Katrina Clemons, Paul Franklin and Cheryl Mankowski, Lauren and Robert Fox, Vicky Hulick, Rita Mars, Joanna and Kris McCandless, Jim McKay, Bob Shoemaker, John Stark, Laurie Stevens, Jane Stieber, Rob and Cathy Succoloky, and Helen and Mark Waters. The night was topped off with Robbie Limon and his five-piece band playing popular music for the remainder of the evening.

Included in his "swag" were the golf tickets for a foursome at Springfield Golf and Country Club, the leather jacket, the coveted golf bag, and the floral arrangement. Way to go Shawn, looks like you're ready for that golf game! One of the popular items were the Mystery Gifts. Lots of people asked, "what's in the bag?". The response, "you'll just have to buy a ticket to find out!" In bag one was a blue stingray ornament and bag two contained a bottle of Prosecco. Each bag was guaranteed to be worth at least \$1.

A buffet was served which included a choice of salmon fillet, chicken marsala, carved prime rib, asparagus and green salads, several choices of vegetables, mushroom ravioli, and assorted cheesecake, mousse and pies served in miniature glass jars.

and Said Muhtrow and his guest from Film Source.

In attendance at the Banquet were our Guests of Honor: Bryant and Christal Burrill from Pohanka

Awards were given out after dinner.

Council Member of the Year was given to Bob Shoemaker for his work on developing our future website, club photographer for Corvettes and Tacos, the banquet, our annual car show, and other assistance to the club.

Rob Succolosky was named Member of the Year for his work as event leader for the Weekday Lunches, assistance at Corvettes and Tacos, Banquet Raffle King and other activities.

A new category, Exemplary Service, was awarded to Carol and Paul Caporossi for their Liaison work with Pohanka including the annual car show, movie night, Hawaiian Breakfast Meeting, as well as assistance in other club events.

Who's in charge here?

Vicki Hulick reassuring Lucy Waddell that all of Shawn's swag will fit in the Vette

Hi All:

I know it's early to be thinking about the 2023 Corvettes at Carlisle but planning starts a year in advance and hotel bookings start the day the previous show ends. Those of you who stayed with the NVCC group had high compliments for the Fairfield Inn in Mechanicsburg and requested we book there again. It's a beautiful, country road ride to/from the Fairgrounds, is only two-years old with very comfortable, dry rooms, and is very friendly towards our group offering us a small party room to gather in the evenings and even a two-night stay to be raffled at the NVCC Annual Banquet! (Won by a VERY lucky couple!!)

This year the nightly rate is \$159 plus tax for a double or king room with a generous cancellation policy of 48 hours prior to your arrival date. Reservations are available for the Wednesday through Saturday nights (August 23 -27) at the following link:

<https://www.marriott.com/events/start.mi?id=1667227741246&key=GRP>

Although it seems early, it is advisable to book as soon as possible since the room block does fill - and if we need additional rooms, it is best to do it early. With the cancellation policy, it is best to reserve soon if you expect to attend - and cancel, if necessary. As usual, we will plan a Friday night group dinner, a women's Saturday activity, and possibly others.

I hope that Corvettes at Carlisle 2023 will be better than ever!

Please contact me if you have any questions.

NVCC 2023 Calendar of Events

Need volunteers for Co-chairs and new Event Chairs

Message from your Vice-President, Jim McKay - Our first NVCC Council meeting of the year was very productive. One of the outcomes of our in-depth meeting is the 2023 Event Calendar that appears below. Consistent with my theme of "Investing in a Quality Corvette Experience," we have an event protocol. Event Committee Chairs are responsible for event budget planning, providing for all logistics including hotels, scheduling sub-events (dinners/lunches, etc..), obtaining and sharing attendee contact information, and onsite coordination. For more complex and fast-moving events like Corvettes at Carlisle, this will help all attendees stay in touch, be aware of preplanned and impromptu on-site meetups and eliminate uncertainty so you can experience maximum entertainment and social interaction. Event Committee Chairs, whether permanent (see Bylaws) or temporary will be expected to attend Council meetings as needed and especially as events draw near.

If you are interested in the events listed, please reach out to the Event Chairs and let them know. Most importantly, we need volunteer Co-Chairs and member involvement in planning more complex events like the annual car show. Finally, if you are interested in adding and chairing an event not already listed, please let me know.

One of my greatest joys over the past year has been to see and interact with so many new members...many of whom, have been very active in planning upcoming events...every time I attend an event planning meeting, I see new faces. This energy is contagious!

This is one of the principal ways that new members can get to know the club's "old timers" and other new members. Our winning formula is [Involvement + Event = Fun!!]. This is in keeping with our motto:

"We came for the cars, we stayed for the people"

NVCC'S WINTER 2023 ST. PAT'S DAY CRUISE

By: Bob Devery, the Travel Guy

Our ride for the NVCC Winter Cruise was NCL JOY ... a 168,000 ton beauty. We had 21 in our group set sail out of Miami with many of us arriving a day or two early for pre-cruise fun in South Beach and Little Havana.

There's too much to describe so I'll simply say it was a great experience: great food; plenty of tasty beverages; entertainment everywhere ... 85° temperatures and beautiful Caribbean waters. The pictures say the rest.

But the best part was getting to spend time with friends from NVCC who became better friends by the end of the trip. Thanks to all who made this event fantastic.

And a donation of \$550 was made by me to the club as promised for members' travel

Next trip : Iceland to London starting 7/27 — There's still room to join us for the fun !!

MORE INFORMATION AT [OBXRC.COM](https://obxrc.com)

This year the Northern Virginia Corvette Club plans to, once again, lead a cruise to the OBX Rod and Custom Show. The cruise will depart Northern Virginia early morning, Thursday, May 5. The event hotel is the John Yancey on the beach (unless you desire fancier more expensive accommodations). Each year, the format of the event has changed due to Covid restrictions. This year, the event will return to its original format with a main 10-acre event site on the sound in Nags Head hosting over 800 prostock and classic cars from all over the east coast. Our preliminary plan is as follows. Updates will be issued as details solidify:

- Thursday 5/4/22
 - o 10 AM Cruise to OBX from Rt 3 WAWA, Fredericksburg, VA
 - o Check in at hotel
 - o Cruise together to the pre-event evening registration (this pre-party is generally a great gathering as much fun as the event itself)
 - o At dinner - Plan which events all would like to participate in on Friday and Saturday – TBD
- Friday 5/5/22
 - o 9 AM - Depart Hotel and Cruise to Main Event Site: "Soundside Event Site" in Nags Head at 6800 S Croatan Hwy Nags Head. There will be other cruise in locations listed soon.
 - o Individuals break off for individual sub events like cruises to the lighthouse
 - o Dinner – location TBD
 - o Friday there is usually a live band at Kelly's automotive parking lot in Manteo
 - o Evening Entertainment at the Main Event Site
- Saturday 5/6/22
 - o Free day-participate in sub-events of your choosing, like the 20-mile beach road cruise
 - o Evening - Main Event site - Entertainment and Rallye prizes

THE PRESIDENT'S CORNER—MARCH 2023

Happy rite of spring NVCC, our unofficial driving and events season kick-off! Looking at the event calendar in the Newsletter, we're in for quite a ride (yes, pun intended) this year. The event calendar is not set in stone, it's only what's been planned so far. There's still plenty of room with several ideas in the works. Also, ad-hoc and spontaneous cruises or get-togethers for a drive and a lunch are most welcome too. For our newer members, if you have some ideas for a cruise or event, let our Social Chair, Doreen Kinashi, know and/or me or any Council Member. All members are invited and welcome to share their ideas and suggestions.

A big thank you to Bob Devery and Rob Succolosky, whose monthly weekday get-togethers are sprouting and begin in April. Our annual St. Patrick's Day celebration at the Old Brogue was another well-attended event this year. Thank you to Rob and Cathy Succolosky for planning and coordinating it for at least the 5th year in a row? Also, Rob Yevoli has a trip to the Corvette Museum early April. I highly recommend one of Rob's Museum adventure trips.

As you may know, our Corvettes and Tacos monthly Saturday cruise-ins ended last year. Thanks to Paul and Carol Caporossi, the Club is helping to organize a Cars and Cannolis cruise-in, sponsored by Buon Appetito New York Pizza, for the spring and fall. It's in the shopping center across the street from Pohanka. Vinnie, the owner, is a Corvette owner (C3 and C8) and is excited to be our host. The first cruise-in of the year is end of April. Come out and have a cannoli, enjoy some camaraderie and meet other car enthusiasts. It's also a fundraising event (50/50 and donations) for Willing Warriors and Horizon Day Camp, the Club's sponsored charities.

I don't know if it's spring awakening the enjoyment brain cells, but I'm really looking forward to my 9th year as an NVCC member. I think my '14 is too. Like almost everyone's, it's been sitting in the garage for the last 3-months with only a few excursions to get the oil circulated and to keep those seals soft. This weekend's Big Loop cruise should fully loosen those undercarriage cob webs!

Looking forward to enjoying being a member of NVCC with you this spring, summer and fall!
