WILLING WARRIORS VETTES FOR VETS - JULY 15, 2023

By; Jim McKay, VP NVCC

The early birds truly got the worm today. At least 15 Corvettes and their drivers met at Walmart at 7:15 and got into the venue exactly at the 8:00 opening. Chuck Berge (organizer/club member) and crew placed all of us together across from each other in the first row. Rich Mars brought a tent so all could sit together. They even let us cone off spots for our late risers.

Outstanding show to benefit our returning veterans. We had a tremendous turnout with about 20 NVCC vets. We will be auditioning the band for our banquet! I am guessing over 200 Vettes and another 25 to 50 classic cars were there.

I met with Tom Milner, famed Team Corvette driver and winner of LeMans. He grew up in a racing family in Winchester and still has roots there. Will be emailing him to see if he can do our Corvette show next year. He was very gracious and even signed one fellow's custom accelerate yellow frunk cover ... why didn't I think of that! He did autograph

my Ron Fellows envelope which will stay in the glove box.

The 50/50 was over \$1200 total...a Home Depot sponsor won and donated all back! Vicki won the C8R die cast model autographed by Tom Milner.

I told her she better lock her car!

We picked up two new members and maybe a third. One returning from 1971! Gave her the Membership contact info.

Another was a colleague of mine from years ago. He went to our website looking for a mechanic. At the same time, he found my picture. He was directed to David Kowalski who did the work on his C5... he was happy. Then he decided to come to the show with his son to meet us and join! Another took our brochure with great enthusiasm.

Next year we will bring the banners to hang on the fence... great advertising as most were from Northern VA and weren't in a club!

Thanks to all for coming out early...we got primo parking front row in shade. Chuck Berge was a great host! He acknowledged, "NVCC is good to us" (Willing Warriors), with our great show of support!

LEESBURG ANNUAL INDEPENDENCE DAY PARADE

WRITTEN BY DOREEN KINASHI, PHOTOS BY D. KINASHI & R. SHOEMAKER

For the third year in a row, NVCC members participated in the Leesburg Annual Independence Day Parade, along with the Old Dominion Corvette Club, led by Bob Meyer, and Vettes for Vets, led by Al Stitt. A total of 26 Vettes participated in this year's parade which started at Ida Lee Park.

The morning was bright and sunny, as well as HOT, as the parade made its way down King Street. Along with antique and modern fire trucks, floats, roller skate clubs, scouts, politicians in convertibles, Governor Glenn Youngkin, and one stand out who dressed in Colonial clothing and rode in an open horse drawn landau carriage. WWII Jeeps and vintage military vehicles rolled down the street followed by three Mission BBQ trucks along with various other groups.

There were many happy faces in the crowd that seemed to be much larger than in previous years as we rode along to shouts of Happy 4th, rev your engine, and cheers for the Vettes. It was a reminder of how great this country is and why we are so proud of it!

After the parade, a number of NVCC members kept to the tradition and went to Monk's BBQ in Purcellville to enjoy socializing with old and new friends, good BBQ, and camaraderie. What could be better on a sunny July 4th day?!!

THE PRESIDENT'S CORNER—JULY 2023

Exciting times! The new E-Ray appears to be right around the corner. Regular production of the 2024 model is set to begin on September 5— that’s only 6 weeks from the date I’m writing this! Actually, GM began to build units during the week of May 22nd for their Captured Test Fleet Program (CTF). According to GM, these vehicles are “for evaluation purposes, quality checks, media test drives, and other pre-production purposes.” No doubt the E-Ray will be the main attraction at the GM tent in Carlisle this year. Last year, the soon-to-be-produced Z06s were the main attraction. I recall we were treated with a fleet of Z06s outside of a restaurant on the first night of Carlisle last year. So much fun to be a part of Corvette history!

Speaking of Corvettes at Carlisle, we’re only a little over 5 weeks away from the premier Corvette event in the world. Similar to prior years, our esteemed VP, Jim McKay, has been working with Carlisle in cementing our relationship as one of the premier Clubs to be participating. He’s done a fabulous job in taking the reins from Past President #37, Mike Gilliland, who recently passed away. Our presence is growing each year thanks to Jim in the Reserved Fun Field.

If you can swing it, I hope members can join the Club this year in Carlisle, even if it’s for one of the 3 days. For many years, if I decided to go, I would make the pilgrimage for a day. But, last year, I committed to stay for the whole shebang and wasn’t disappointed. After a while I just settled into the flow – relaxing, then checking some things out, relaxing again, welcoming new and potential members, checking some more things out. Thanks to Jane Stieber, we have a nice, fairly new and clean hotel that’s a fun 20-minute country drive to the fairgrounds.

It's July GBM time this Sunday the 23rd and, thanks to Paul and Carol Caporossi organizing the event, it will be an outdoor Hawaiian Luau themed GBM at Pohanka Chevrolet (like last year). Breakfast burritos courtesy of Anita’s! Come and enjoy a Sunday morning breakfast with your Corvette friends. Rob Ferris, Pohanka’s GM and C7 Z06 owner, will be there to chat with the club as well.

Thanks to all the members leading and attending events. We’ve had a few HPDE’s recently – Summit Point (last Friday) and Dominion Raceway’s Track Attack. Thanks to Paul Benish and Rob Yevoli for organizing. Also, Rob Succolosky continues his record-breaking weekday cruises and lunches with the Dante Ristorante this week. Plus, we have Karen Shoemaker leading the parade and gifts for the Horizon Day Camp for children battling cancer on the 20th as well. This will be our second year and Horizon is one of the Club’s sponsored charities. Thank you, Rob, and Karen, and to all club members that make owning a Corvette fun and rewarding.

Lastly, as you may be aware, Kris McCandless is gradually taking over the Newsletter Editor responsibilities. He has some big shoes to fill as our seasoned and veteran Newsletter Editor, Marsha Batchellor, hands over the reins! Great job Kris and Marsha in making the transition smooth as silk! Behind the scenes, Ruth Baumert has assumed the responsibilities of Secretary and is doing a fantastic job as well.

Hope to see you at an event soon and, as always, enjoy those miles of smiles!

Barry's Car Barn Visit by Mike Moore

To make this a short story, we have to go back about 12 years when one of my new friends from NASA HQ, Chuck, asked me to go to Carlisle with him in his C5 for the Corvette event. We had such a good time that whenever possible, we try to go and look at cars together. This time, Chuck saw a show on the Discovery Channel about this new place in Pennsylvania called Barry's Car Barn. A few weeks later, we hit the road to Intercourse, PA and found the location, 3504 Old Philadelphia Pike. It was situated in the middle of Amish tourist country complete with buggy ride shops and more quilt stores than I ever wanted to see. It is a new facility and there is an interesting collection of a variety of cars including lots of Shelby Mustangs and

a good group of older motorcycles. Of interest to the club is the collection of Vettes shown in the pictures. We were lucky enough to talk to the owner who mentioned that he had a larger group than was on show but is rotating them through the museum. There was a minimal charge for entry, and it was not crowded at all. [Editor's note: Their rotation of Corvettes seemed to focus on the Solid Axle/C1 Generation.]

Dante Ristorante

Hi, Carlisle Attendees:

We are a little more than one month from the 2023 Corvettes at Carlisle event and the cut-off date for room reservations is July 24. New members might be interested in what has become an annual group activity.

We have 28 separate reservations in the NVCC Hotel Room Block at the Mechanicsburg Fairfield Inn: seven on Wednesday, 16 on Thursday, 28 on Friday and 21 on Saturday night. Corvettes at Carlisle should be a great weekend with our NVCC friends.

Those who stayed with the NVCC group last year had high compliments for the Fairfield Inn in Mechanicsburg and requested we book there again. It's a beautiful, country road ride to/from the Fairgrounds and is only three years old with very comfortable, dry rooms. The staff is very friendly towards our group, offering us a small party room to gather in the evenings and even a two-night stay which was raffled off at the NVCC Annual Banquet to one lucky couple!

Our nightly rate is \$159 plus tax for a double queen or king room with a generous cancellation policy of 48 hours prior to your arrival date. Reservations are available for the Wednesday through Saturday nights (August 23-27) at the following link:

<https://www.marriott.com/events/start.mi?id=1667227741246&key=GRP>

With the two-day cancellation policy, it is best to reserve if you expect to attend - and cancel, if necessary. As usual, we will plan a Friday night group dinner, a women's activity and probably other group meals. Friday night looks like we'll have at least 45 people at the nearby diner.

I hope that Corvettes at Carlisle 2023 will be better than ever!

Please contact me if you have any questions.

Subject: 2023 Corvette Charity Raffle

June 5, 2023

Once again, we are doing a Corvette raffle to benefit two worthwhile and needy charity organizations. The Lancaster County Corvette Club in conjunction with Carlisle Events is conducting the raffle with 100% of the proceeds, less the cost of the vehicle, being split equally between the Chip Miller Amyloidosis Foundation and Clare House-Lancaster. As in prior years I am asking for your support.

The car is a 2023 Corvette Coupe, Torch Red, Jet Black Leather Interior, 495 hp engine, 8 speed automatic transmission with paddle shift, and the 2LT equipment group as per the attached flyer.

As we have done over the years, we will again use the very successful formula, to conduct this year's raffle and to determine the winner. We will only sell 1000 tickets at \$150.00 each with the tickets numbered between 000 and 999. The winner will be determined by the Pennsylvania Daily Lottery (Pick Three) on Saturday, August 26, 2023 using the 7:00PM drawing. The number drawn on the lottery will be the winning number. By using the PA Lottery number, which is drawn live on television, we are assured of an absolute tamperproof process. The odds of winning are great, on a great vehicle, while helping two deserving charities. Only \$150.00 for a chance to win a brand-new mid-engine Corvette with 100 percent of the profit going to the charities. And you do not need to be present to win.

I would very much appreciate your support. If you will fill out the attached form and mail along with a check payable to Lancaster County Corvette Club for one or more tickets, I will randomly select a ticket(s) and send to you. **Note: Be sure to include your correct phone number on the form.** The winner will be contacted by phone as soon as the lottery drawing is completed. My address is shown above or use the address on the flyer to place an order.

If you have any questions, just give me a call, and thanks in advance for your support.
"Good Luck"

Very Best Regards,

Clyde and Sue

NVCC 2023 Calendar of Events

Investing in a Quality Corvette Experience

As a member and Social Chair of one of the premier Corvette Clubs in Virginia, I would like to invite you to not only participate in the numerous events that we offer throughout the year, as evidenced by the attached Events Calendar, but to take part in hosting an event. Events can be short, only a few hours long, to all day, overnight or even several days. It's a great way for current members to get together with "old" and good friends and for new members to make new friends. Although we have guidelines depending on the type of event, I or another "seasoned" member will help you through all the steps.

So please take a look at the events below and contact the Event Chair if you're interested in participating or even helping out. Event Chairs are always looking for Co-Chairs and volunteers for our major events like the June Car Show and Carlisle. And remember, you can always contact me with questions.

There's something for everyone to enjoy and it's our energetic members who make NVCC the great club that it is!!!!

Classics Cruise to Monk's Barbeque, Purcellville

Saturday, September 9, 2023

All cars welcome but will be a slower cruise to accommodate our C1 – C4 classics; newer cars will be at the back.

Early September should be a great time to take our C1 – C4 classic Corvettes out for an easy drive on local and country roads to enjoy lunch at Monk's Barbeque, known for "simply the best BBQ smoked meats in Northern Virginia". Located in historic central Purcellville, this will be an easy cruise of about 31 miles each way and taking a little under an hour. While offered for owners of classics who don't want to "push" their babies, all members of NVCC are welcome to join us. The venue offers a wide range of BBQ meats (brisket, pulled pork, pastrami, pulled chicken, spare ribs, burnt ends and turkey) as well as burgers, salads, side and more (https://monksq.com/restaurant_menu/). They also offer a wide range of locally brewed beers, bourbons and non-alcoholic beverages.

For those history aficionados and Corvette lovers. I came across this You Tube video, "The Corvette Stingray: Biography of a Sports Car"

I hope you enjoy it as much as I do.

Members' Plates

Each month will feature NVCC customized license plates, owner, and translation. *The unwritten Club rule is everyone must eventually get personalized plates! (kidding!)*

The owners of the Corvettes with these plates met at NVCC in 2019 and are parked in the same garage. Joanna McCandless "just had to" buy her 2014 Callaway Stingray and Black Bear is the name of Kris McCandless's 2010 Grand Sport. The combination of the two plates comprises Kris's Gmail account!

Taking a theme from two of the club's Air Force Veterans, RECCE is short for Reconnaissance because its owner, Dick Hammaker flew those missions in Vietnam, and Bob Devery is "Cleared for Takeoff" in his Ceramic Gray C7 Stingray. *Thanks for serving, Gentlemen!*

The National Corvette Museum will usher in the 14th annual KY 1 Lap tour, part of the Museum in Motion (MiM) program, unique in that it is a partnership between the National Corvette Museum and the Kentucky State Police. The two organizations will join to raise money for both the Museum and Trooper Island, a KSP non-profit camp for underprivileged children. Each year the Tour explores a different section of Kentucky. As always, the tour will be led by TPR. Jonathan Biven – Trooper Island Camp Director now using a newly painted marked silver Corvette which is sure to attract attention as the caravan travels through an area of real Americana.

This year we are exploring some of the historical attractions that have made KY famous including the Bluegrass Scenic Railroad, Chenault Vineyards, and Lexington Brewery and Distilling Company. We offer this tour 4 consecutive weeks in September and October.

- Tour 1 – Sept 26 – Sept 30
 - Tour 2 – Oct 3 – Oct 7
 - Tour 3 – Oct 10 – Oct 14
 - Tour 4 – Oct 17 – Oct 21
