The Tri-State Ice Cream Cruise was a total blast! We had 17 'vettes come with almost 30 people in attendance. We started the day with some clouds but were graced by the sun's presence as we cruised on through the curvy roads of Virginia, West Virginia, and Maryland. Photos of the event are now on our website, thanks to some talented shutterbugs that were along for the trip. We had a nice lunch at Coolfront, along with not one but TWO ice cream stops...needless to say; it was not a low-calorie event. Many thanks to Andrej for taking the lead and setting this up as well as Lynn for the excellent navigation via family radio. I hope we can make this an annual event; it truly was a great way to kick off the summer season. Now all we need is a fitness-minded NVCC member host a 10-mile jog to burn those ice cream calories. Any volunteers? ;)

**Presidential Pontification by  
Jeff Kirk, Pres. NVCC**

Hello fellow Corvetters and friends!

What a month we've had thus far. First, hats off to Collin MacDonald and Don Kerndt for outdoing themselves on the NVCC Concourse, held this year at Franklin Park. The event was blessed with being just the right temperature, a nice breeze, and the cicadas were kind enough to stay a good distance from the cars. Thanks again to all the workers who helped us out, all of our sponsors including Koons Chevrolet, the staff at Franklin Park who went above and beyond and always with a smile, and of course the participants and visitors.

Additionally, we had our first official "Shop Night" at Koons. At the request of the NVCC Council, Joe Malo, Koons Corvette mechanic, and Alex Perdikas, Koons' General Manager, agreed to give the NVCC a night to let our members work on their own cars, using tools and lifts provided by Koons. About 20 to 25 members showed up, and with Joe's guidance, did everything from oil changes to replacing brakes. Jeff Smith, with a little help and a lot of sweat, installed a VaraRam Air system, in just slightly over 4 hours, despite the instructions insisting that only 1 hour was needed. We ended up leaving Koons around 11 PM before heading out to a local watering hole to talk about the evening's events. In speaking to Joe a few days afterwards, I know he had a great time helping everyone, and everyone seemed pretty happy to be able to have his expert advice when working on their babies.

Thanks also need to be sent out to Kevin Bolo, shop manager for Koons, and a very special thanks to Karen Weiss, a service writer who definitely wasn't afraid to pitch in and work on the cars. Rumor has it a second shop night is in the works, possibly on the 13<sup>th</sup> of July. Stay tuned!

Also, we're going to start a few new features in our newsletter, so be on the lookout in the coming months for new articles.

Take care....enjoy the summer if the rain stops. And..Save the Wave!

**Z06 Electron Blue Zone by

Slightly shorter newsletter this month as the club did not have its' standard General Business Meeting but instead had the use of the Koons Chevrolet garage for a "shop night" as detailed in Jeff's comments. Great idea and there is another planned shortly!

There are days when owning a Corvette can be a real joy. My wife and I experienced one of these on Sunday June 6th.

After church on an overcast and gloomy day we were deciding whether to go on the Annual NVCC Ice Cream Cruise. If you had told us at that point that the cruise would be 260 miles and 8 and one half hours you could not have gotten us to move out of the house! But we did not know that so we jumped in and headed to Sterling for the start.

By the end of the day with lunch and two ice cream stops over some of the nicest West Virginia, Virginia and Maryland curved roads, we did not want it to end!! The socializing and esprit de corps at the stops was terrific. My wife, as some of you may know, is not exactly a "Corvette person", had a terrific time and was wondering if we could host one of these events but do a mystery overnight tour. We are working on it.

The last concour hosted by Collin MacDonald and Don Kerndt was a success this month and photos can be found on the web.

We now have a Championship series of autocross dates set up at Old Dominion that will run from June until October. There are some learn and tune dates as well. See Paul Hertel, Mike Sarver or me or for information.

After a series of delays the Rallye Championship season is ready to start as well on June 27th.

With more social activities, the "shop nights" and all the competition events I would say the club is ready to rumble for the season!

We will keep you posted on events both from within the club and with other clubs in the Eastern Region.

Keep the sunny side up and Save the Wave!

Respectfully,  
Jim Beaupre

## Letters ... we get letters and emails!

Ed.  
Just a quick note:

Your retraction in last month's newsletter that the Daly's did not win the rallye championship for the past ten years was not entirely accurate.

Judy Patrick did win 1st place navigator a couple of times because there were several years that I ran without a navigator, so the 2nd place navigator would actually get 1st place points.

I as driver have, in fact, won the rallye championship 10 years in a row, and am considering retiring.  
Joe Daly  
*Seems Joe did win the championship many years in a row but at least there is hope "considering" he is thinking of retiring! Ed.*

Hi Folks,

Just got word from our Regional Exec., Mike Weil, that a member of the East Region - Dave Walter - won the Overall Competitor Award at the Las Vegas NCCC Convention last week.

From Mike: "This was even more impressive in that Dave had some mechanical problems with his trailer on the way out to Las Vegas and ended up driving his car out, competing and then taking home the big prize. I also am told that Dave's trophy is taller than I am (I'm 5'6")."

Everyone, tip your collective hats, raise a beer (or preferred libation) and join us in congratulating Dave Walter of Cumberland Valley Corvette Club!! Don't forget Sally, as she likely worked as hard as Dave when you consider what all they went through!!

Kudos Dave!

## Socially Speaking from Laurie Kistner

### NVCC 2004 Social Calendar

NVCC Social Calendar July 2004  
Socially Speaking by Laurie Kistner  
Hello Fellow 'Vettes,

Well, the temperatures are rapidly increasing and the cicadas are decreasing (thank God for small miracles), so I'm hoping everyone has had some good "quality time" with their beloved corvettes. I, for one, am happy to report that I am recovering nicely from surgery and able to drive again...yippee! I am still going through torture...oooh I mean physical therapy...but hey, no pain no gain, right?! If it means being able to cruise around with a good CD on a sunny day, I'm willing to do most anything...especially after being deprived of driving for so long. You never really appreciate something unless it is taken away from you, even if it is only temporarily.

Speaking of cruising, Here are some events I'd like to make you all aware of should you be interested in participating:

June 20<sup>th</sup> - Celebrate Father's Day at Sully Plantation's Annual Antique Car show co-sponsored by FCPA and The Model A Ford Club of America. More than 400 antique and classic cars will fill the grounds. Buy the car of your dreams at the Car Corral or search for the perfect accessory in the Flea Market with more than 100 vendors. Treat Dad to a delicious lunch and get your toes tapping to a variety of music reminiscent of the heyday of these classic automobiles. House tour of the first floor of the 1794 house included. \$8/adult, \$7/senior, \$5/child. Please see the following website for map/complete directions: <http://www.co.fairfax.va.us/parks/sully/>

June 25<sup>th</sup> - Drive Your Corvette To Work Day: Started by Mid-America Motorworks in 2001 to launch the countdown to the Corvette's 50th anniversary, it has now become an annual tradition. Let's all drive our 'vettes to work and show some Corvette solidarity! For more information: [www.madvet.com](http://www.madvet.com)

July 4<sup>th</sup> - Fourth of July Parade, presented by the Rotary Club of Leesburg.

A lot of fun! Parade lineup is at Ida Lee Park at 9 a.m. (but I recommend getting there @ 8 am for a spot up front). More information is available at [www.leesburg4th.com](http://www.leesburg4th.com) or call 703-779-2451. Schedule is as follows:

- 10:00 am parade begins
  - 11:30 am parade ends
  - 12:00 noon "Honoring America" program on the courthouse lawn
- August 7<sup>th</sup> - 15th Annual All Corvette Cruise-In, hosted by Still Cruisin' Corvettes.

WE MUST GET THERE BY 3:00 PM to get parking. Over 400 (continued next page)

Vettes show up! Time of event is 5:00 p.m. to 9:00 p.m. Admission is free and vendors are welcome. Dash Plaques to the first 200 Corvettes. Mr. DJ will be playing oldies tunes. Great food and beverages at Big Joe's Pizza. There will also be door prizes. Event Info: Chuck or Fredi Berge - Phone (703) 754-1960 - Fax (703) 754-1222 or E-mail: [chuckberge@comcast.net](mailto:chuckberge@comcast.net), Web Site: [www.corvettecruisein.com](http://www.corvettecruisein.com). I will be leading this mini-cruise, meeting place to be announced. Please register on the events tab on the club website or e-mail me at [lilredcorvette94@yahoo.com](mailto:lilredcorvette94@yahoo.com)

August 27<sup>th</sup> – 29<sup>th</sup> – Corvettes At Carlisle. Last year was the largest Carlisle ever. This year almost all of the hotels are full for a 45 mile radius and it's gearing up to be a very large event. I will be going up for one day only (Saturday) and hopefully leading a caravan of 'vettes with me. Please register on the events tab on the club website or e-mail me at [lilredcorvette94@yahoo.com](mailto:lilredcorvette94@yahoo.com) if you would like to join the caravan up to Carlisle. Details will follow soon. You must pay a registration fee so please visit [www.carlisleevents.com](http://www.carlisleevents.com) to register and to read more about the event. Corvettes get to park directly on the fairground infield. Bring lotsa money!

September 5<sup>th</sup> - 14th Annual Sterling Classic Car Show, hosted by Northern Virginia Community College at the Loudoun Campus. Show to benefit Muscular Dystrophy/ Jerry's Kids. All vehicles welcome. Let's make the corvette a focal point as well as benefit a great cause and make it a CLUB effort to attend. Entrant fee is \$15, at the gate it is \$20 (7AM-11AM). Gates open to the public at 10 AM and adult admission is \$3, children under

12 and handicapped are free. For complete details and directions, please visit [www.sterlingclassiccarshow.org](http://www.sterlingclassiccarshow.org)

October 1<sup>st</sup> – 2<sup>nd</sup> – Corvettes at Ocean City, sponsored by the Free State Corvette Club. Please see [www.freestatecorvette.com](http://www.freestatecorvette.com) for complete registration and event details. **YOU MUST FILL OUT THE REGISTRATION FORM ON THEIR SITE TO PARTICIPATE.** There is something for everyone, including fun and judged shows, rallies, with the highlight of the weekend being the boardwalk parade of corvettes. Act fast, as hotels are booking up very fast.

October 30<sup>th</sup> – Fall Skyline Cruise. Save the date! When I get more details I will pass them on to everyone.

Other things in the works for the club are a comedy club night, dinner cruise, brewery tour, Medieval Times dinner theatre, horseback riding, and the annual club picnic/BBQ. Please contact me at [lilredcorvette94@yahoo.com](mailto:lilredcorvette94@yahoo.com) if you have any questions or if you have any social ideas of your own! Also keep in mind that the club website and online forum are great ways to stay up to date on club happenings...be sure to check it out! In the meantime, get out and enjoy your 'vettes...

Respectfully Submitted,

## Autocrossing Screeches By Paul Hertel and Jim Beaupre

By the time you read this we will have hopefully had our first autocross of the season. We will have 10 points events this year and awards at the Annual Banquet.

As with last year, we have invited other local area car clubs to come out and participate in our autocross events. In return, they have invited us to their events as well so we will get a good mix of racing events this year.

I have updated the web site autocross page with some new information but I will be posting most of the new information on the clubs forum board.

Prices have been increased over last year and are as follows:

- #1 - \$20.00 for members of the NVCC
- #2 - \$25.00 Corvette owner, not a NVCC member
- #3 - \$25.00 For members of a "Friends if NVCC" Club.
- #4 - \$30.00 For everyone else

I hope to see you all at an autocross soon.  
 Paul

"With Ron and Boris here to help me out, they make sure to tell me which bad habits to lose and good habits to keep. I'm a road racer because of the things I've learned from Ron Fellows and Boris Said." ### LATE BREAKING NEWS!!!

A huge congratulations needs to go out to the factory C5R race teams! Once again they showed their dominance in the GTS category by finishing 1-2 at the 24hours of LeMans. Not only did they send the Pro Team 550 Ferraris back to Italy with their V12's, and tails tucked. They did it after being involved in 4 accidents with a mountain of smashed up parts, and carbon fiber! They lost the lead on several occasions due to having to practically rebuilding those cars. Then still ran them down!!!! That not only shows American pride, but also shows the never quit attitude will always prevail.
