What a month! Whew the club was really busy the last month with our first in history High Performance Driver Education hosted by NVCC with 45 students showing up. The first rallye of the season was held. Who could forget the tremendous concour that was held at Koons Chevrolet—over 60 cars, historic Corvettes in the showroom, scores of spectators, what a day! Finally the Spooktacular has been announced for Oct. 1,2 with 14 events, not 9 but 14!!

RALLYE

The Over Hill and Dale Rallye is over and the results are in. For those of you who missed it, Rallye #1 today hosted by Chuck and Karen Pellerin (with Dick Hammaker checking) was a great time for all who attended. The route was filled with great roads and the clues were straight-forward and a great beginning to the 2005 Rallye season.

It was the first rallye of 2005 and it was a bright sunny day with temperatures in the low 90's. The turnout was good. Oakton was beautiful. And one of the teams even spotted a deer.

My thanks to Chuck, Karen, and Dick for a job well done.

First place went to Jerry Myers and his daughter Pamella. Jeff and Carolyn Eckhaus took second and Brad Snead

and Katy Morrison came in third. Ben Duling and Marsha Batchellor were in fourth place. The cruisers included Kirk DeNee and Cheryl Graczyk, Barb Shaw and Mark Bergstrom, Don and Judy Pat-

Don and Judy with the 4 of clubs!

rick, Tracy Reineman and Mike Hunter, and Omar Koussa. The high poker hand went to Kirk and Cheryl with a pair of aces and Don and Judy had a queen high for the low hand.

HPDE

George Kerns cranks it up coming out of turn seven a the first NVCC HPDE

HPDE event was a great day for NVCC. With NCCC now requiring a minimum at least one high speed drivers school with a passing grade to be considered for a high speed license it was decided to host an event at Summit Point for club members. A variety of equipment showed up from older vettes to BMWs,

Acura's and Camaro's. With 45 students, 16 instructor cars, 5 to 6, minute sessions per car there was a LOT of screaming cars. All was done safely with no incidents (your faithful editor managed to spin showing one of his students the fine points of late braking!), but a lot of panting automobiles at the end of the event. Thanks to George Kerns the Chair of the event and all the people who worked so hard to make it a success. George is planning another HPDE for Nov. 19th of this year.

CONCOUR

The Concour turned out very special with a lot of hard work. Here are Laurie Kistner's comments the day after the event.

Yesterday was a great day...a special thank you to all the members who helped make this happen. Whether it was hauling the club trailer, arranging for a food vendor, judging/teching/classifying and staging cars, registering entrants, taking photos, tabulating results, (Continued on page 8)

Summer is in full swing here at the NVCC, and we've just recently accomplished 2 huge events, the first ever High Speed Driving School (HPDE) held by the NVCC, and our annual Concours event. Both of these events went flawlessly, and my thanks goes to George Kerns and Laurie Kistner for their hard work and dedication to the club.

My letter this month isn't about the events, per se, or George and Laurie, but to show that these two individuals are examples of what you, dear reader, can provide for the club. That George and Laurie were able to pull off these events definitely needs to be acknowledged, what needs to be recognized is that both of these individuals are relatively new to the NVCC, with Laurie joining officially in May of 2004, and George in July of 2004.

Both people joined the club because they, like all of us, have an interest in Corvettes. Additionally, they enjoyed the camaraderie they found within the club, made some friends, and immediately immersed them-

WAZZUP!

By George Kerns, VP

selves into being a part of the club. Laurie originally began and continues as the Social Chair for our club, and George immediately hopped in and took on hosting cruises for dinners and other social functions. Both then extended their roles even further, with Laurie taking on the Concour chair, and George as Vice President and chairing the HPDE.

Why did they do this? I can only guess. I myself am still relatively new to the club, but am finishing my second term as President. I can only guess that they, like me, saw something fun within the club, and wanted to help. All it really takes is interest. What is it you enjoy in the club? Rallies? Racing? Cruising, just hanging out with other vette owners? Maybe just getting together and relaxing with a few friends? Always wanted to try out a new restaurant, or maybe invite everyone out to your favorite place? It's really that simple.

I have a feeling, especially with the influx of new members, that there are some folks that wouldn't mind getting involved, and just aren't sure how. The easiest way is to jump in. I promise the NVCC council will catch you and make it a great landing. For new members just look at page 2 for the club Council members, contact any of them and they all know how to guide you in becoming a helping friend of the NVCC! Respectfully, Jeff Kirk, President

is pleased to extend the

Northern VA Corvette Club

a 15% discount off

Clear Bra installation

Never fear rocks again.

Enjoy the Drive.

WOW! What a month this last one has been! I'm sitting here trying to figure out where to begin! This has been probably one of the busiest months in recent history for the club! For those that have not been engaged in some type of activity this past month you have been missing some great events! The rest of the summer promises to be just as busy too!

First of all the June 20th HPDE was a complete success! We sold out, everyone had a great time, there where NO wrecks, and best of all we are holding another one in November and hopefully two more next year! Details to follow in the next issue! I would like to thank everyone involved with putting this school on for all their hard work, and efforts to make this a great event. I would also like to send special thanks out to Miriam Schottland for all the great work she has done for our club to help out. For those of you that have not met Miriam yet I'm sure you will in the future because she is working with us on several other projects (more HPDE's, Teen driving schools, car control clinics, etc.), and we are delighted to have her along! We have also been working with other area clubs (BMW, Porsche, and just the other day Viper clubs) on working relations with them for future events!

The next event that I want to talk about is the Concours car show! Laurie! WOW Girl! You did an awesome job on that event! There were some awesome cars out there if you missed it! The event went as smooth as any car show that I've ever seen, and my hat is off to everyone that helped Laurie out also. I don't want to steal Laurie's thunder so she can tell all! I just hope she does it again next year!

Our first rally of the year was held by our new Rally Master Marsha, and was another great event, and the next one is going on as I type this letter. There have also been numerous other activities going on in the club this month so I know that I'm missing some!

Finally, I encourage as many of you as possible to make it to the August GBM! Final details will be going out about what could be the largest fund raiser in the club's history! For those of you that do not know yet, I will be attempting to run 50 miles in under 8 hours on a treadmill to raise money for the Youth for Tomorrow foundation, and Project Fit. Our goal is to raise \$100,000 or more! I encourage everyone possible to get involved with this, and let's show this area that our club really does care about our children's future! I will be looking for several volunteers to help out with this event (I'll be a little busy running!). I am currently looking for company sponsors for this event so if anyone knows of any that are interested PLEASE let me know. I am representing the club for this event.

Well, until next time, remember if it's too fast you're too old!

George

Letters, we get Letters and emails.....

Spotlight on Members CORNER By Judy Patrick

August Report

Hello Y'all! I'm new to the club, but wanted to let you know of a real great HSDE track event one can attend.

It's Viper Days (<http://www.viperdays.com/about.html>). "Viper Days Inc. was founded in 1996 to offer Viper drivers a safe and fun venue in which to learn the limits of their cars. To expand their knowledge of high speed driving techniques, the driving school offers Viper specific classroom sessions as well as in car instruction for all students."

It is important to emphasize that Viper Days is a school, not a Race event. Racing is strictly prohibited during all school and Michelin Challenge Series sessions.

While this is primarily built around Vipers and their little brother, the Dodge SRT/4, they let other cars--even 'Vettes come out and play with them. It's nice to beat up on snake at their own events once in a while. ;-)

Without getting too deep into the details, actual running groups are split 4 ways and get 4 one-half hour sessions each a day over what is usually a Sat and Sun event: GREEN - Track novices, no matter what you drive. WHITE - Most 'Vettes are lumped in here. BLUE - Lots of slick-wearing, get-outta-my-way types in this group, to include 'Vettes. Most come seriously equipped. RED - 99% race-prepped Vipers and SRT/4s that compete in the Viper and Neon Racing League. Once in a while (or, so I'm told), a race-prepped 'Vette shows up.

The two tracks I've driven on within this program are Sebring this past April/May and more recently today @ Virginia International Raceway. Fun tracks!

Yes, cars do go off a track sometimes (one each Viper and SRT/4 hit the tire walls today). But, if one prepares their car properly, understands their car's health and capabilities as well as one's own experience (i.e., keeps ego in check), you can end the day by driving home or wherever you want to go.

It seems very well run. Check it out!

Regards, Chris Stim Alexandria, VA

Subject: dream garages

Dear Northern Virginia Corvette Club:

We're designing the premiere issue of Dream Garage - a magazine devoted to the world's most impressive residential garages - and were wondering if you could help us identify potential garages and car collections that we could assign writers and photographers to cover.

Owners may remain anonymous and their garage locations will be kept in strict confidence if desired.

Our magazine overview and editorial mission is below if you'd like to take a look.

Thank you very much and I look forward to hearing from you!

Sincerely, Jaime Moe, Editor & Publisher

Socially Speaking from Laurie Kistner

NVCC Social Calendar

July 31st, 2005 - 12th Annual Vettes @ the Beach. A long-distance event, in Sylvan Beach, NY, this is the "flagship" show of the Northeast...last year 409 vettes were in attendance!

This show is put on by the Syracuse Corvette Club and is a non-judged, people's choice show. Excellent goodie bags, dash plaques, vendors, trophies, and corvette camaraderie while seeing many vettes, old and new, mod or stock, at their finest. The weather is usually very nice, with temps in the 70s/80s and is a short walk to beautiful Sylvan Beach. See the surf and sand along with some hot cars! Their ultimate goals? Raising money for charities and bringing together the owners of the coolest American made sports car...the Chevrolet Corvette! Please email me at lilredcorvette94@yahoo.com if you wish to caravan up for this long-distance cruise/show and for complete travel details.

August 6th, 2005 - 16th Annual All 'Vette Cruise-in, hosted by Still Cruisin' Corvettes. WE MUST GET THERE BY 3:00 PM to get parking. Over 400 Vettes show up! Time of event is 5:00 p.m. to 9:00 p.m. Admission is free and vendors are welcome. Dash Plaques to the first 200 Corvettes. Mr. DJ will be playing oldies tunes. Great food and beverages at Big Joe's Pizza. There will also be door prizes.

I will be leading this caravan, meeting place will be Newgate Plaza, next to the Mobil station, Joann's Fabrics, and Post Office (intersection of Routes 28 and 29 in Centreville). Brief driver's meeting at 2:30 PM, departing at 2:45PM. Please RSVP to lilredcorvette94@yahoo.com

August 7th, 2005 - NVCC Cruise to Kings Dominion, hosted by Paul Hertel. We will meet at the Springfield Hilton parking lot at 8:45 AM, leaving at 9 AM SHARP. Street address is: 6550 Loisdale Road, Springfield, VA 22150. Please reply with your name and # attending tosix_speed@yahoo.com. 3-day advance website purchase general admission, ages 3 and up, is \$31.99. At the door it is \$45.99...so...if you plan to go, please RSVP to Paul AND make sure to purchase your tix at least 3 days in advance at www.kingsdominion.com

August 14th, 2005 – Another Sunday cruise and brunch at Hopsfrog Tavern, hosted by Dan Kinney. This time, a different cruise route is being planned out as we speak! Hopsfrog Tavern's Sunday Brunch is \$12.95 + drink + tax + tip. Please bring CASH - \$18.00 per person. Meeting place and other details still being worked out, please stay tuned to your email, online forum, and club website calendar for complete information. Please RSVP by August 7th, 2005 to Dan Kinney at roz06@gmail.com.

August 27th, 2005 – One-day Caravan to Corvettes at Carlisle. This is always a HUGE event every year. Expect to see thousands of 'vettes in every model, year and color. Many vendors, swap meet, corvette auction, and displays of all sorts to look at. A new event to be added is a Burnout Competition. It is the "Superbowl Sunday" of Vette-dom.

I will be going up for one day only (Saturday, August 27th) and hopefully leading a caravan of fine 'vettes with me. We will meet in the Leesburg Premium Outlets parking lot (in the middle where the food court is, parking area #10, faces Route 15 Bypass) and take Route 15 through Maryland into Pennsylvania for a nice scenic drive. Start arriving at 7:30 AM, drivers' meeting at 7:45 AM, and leaving at 8:00 AM SHARP. PLEASE remember to bring your family radios and gas up your cars BEFORE we leave! Be advised I like to go at LEAST speed limit...and then some! Once we arrive you are on your own to enjoy the many wonders of Corvettes at Carlisle. If you wish to join this caravan to Carlisle, please register here, reply to the forum post, or email me at lilredcorvette94@yahoo.com. You MUST pay a registration fee at the gate if you have not pre-registered online. General admission is \$12 and children under 12 are free. Corvettes get to park on the fairground infield (Corvette Only parking is \$10). Visit www.carlisleevents.com to read more about the event. Bring lotsa money. Directions to Leesburg Premium Outlets (caravan start point): Take VA-267 West (Dulles Greenway) to exit 1B. Merge onto US Route 15 Bypass North, right onto Fort Evans Road. Address is 241 Fort Evans Road NE, Leesburg, VA 20176.

Directions to Carlisle will be handed out at the drivers' meeting.

LABOR DAY CAR SHOW

September 5, 2005

Oct. 30	Central PA CC (CPCC)

CLEAR "BRA" for Your Corvette?

There's finally a solution to the age-old dilemma – vinyl bra or chipped paint? Neither was a good choice, and now there's a new automotive product that can protect the paint on your vehicle's front end without changing the way your car looks or requiring any special maintenance. What is this miracle cure? Virtually invisible "Clear Bra" paint protection film, and it's gaining in popularity in the after-market product world. In addition, many dealerships are now offering it for new cars and even automobile manufacturers have caught on to the trend.

So what exactly is a Clear Bra? No, it's not what you may be thinking; rather it's a transparent, thin, durable urethane film that will protect your vehicle's vulnerable surfaces from an impact equivalent to a 1" in diameter rock traveling at highway speeds. Originally developed to protect helicopter blades from chipping during takeoff and landing, it was then adapted for race cars (it is the only officially licensed paint protection film of NASCAR), and it is now finally becoming widely available for street use. The film can be applied to any painted surface, but standard applications include the hood, fenders, side-view mirrors and bumpers. Designs are computer generated and then cut to provide a tailored fit for your specific vehicle's lines and contours. While several manufacturers offer protective films; 3M has added a clear coat to their film which behaves just like the paint on your car, requiring no special maintenance. It also allows them to provide a 5-year warranty against problems like yellowing, cracking, or peeling that can happen with some of the lower grade films. And the best part – it's entirely removable if necessary, leaving your vehicle's finish good-as-new.

Although Clear Bra kits are sold for serious do-it-yourselfers, professional installation is *definitely* recommended. Just picture gift wrapping a bowling ball, free of wrinkles! Certified installers can be found online in your area by going to 3M's website (www.3M.com). Pricing averages around \$550 per area for an upper or lower kit and more like \$900 for a full front end installation (hood, fenders, side-view mirrors and front bumper). Not bad when you consider the price of a new paint job and the hit to a vehicle's resale value that comes along with it. Plus, you'll have the added benefit of peace of mind the next time you're behind that dump truck hurling rocks on the highway.

Rallye Ramblings by Marsha Batchellor

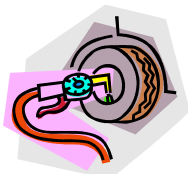

Regional events: Check out the ERCC web pages (www.ernccc.org/calendarix/calendar.php)

City of Fairfax – Fourth of July Parade

By Joe “JD3” Daly, III

After quite a few correspondences back and forth with the city of Fairfax we finally got things hammered out and tried to accommodate as many club members as possible. Unfortunately in the beginning during the application process they neglected to inform us that there was a limit in the number of vehicles we can enter as a club – a limit of just 10 cars – because they wanted to keep the overall length of the parade to two hours. I did get Fairfax to agree to use an additional three cars to carry dignitaries – such as the Lt. Governor (who never showed – sorry Joyce). I even volunteered to put band members in Corvettes to keep them moving, after all, what could be faster than a vette ;)

The Vienna Halloween Parade has no such limits, and we had 30 cars last year, and we will be looking to top that this year – so keep your calendars clear.

Alas, after asking for participation, I then had to turn around and ask for people to step down, as we had too many volunteers. So a special “THANK YOU” goes out to Stuart Fox, and Pat Somersall for volunteering and then stepping down. Maybe next year! The list of participants included: Joe Daly, Mark Bergstrom, Bill Kolster, Bobby Winterbottom, Dick Hammaker, Joyce Corbin, Art Baer, Jeff Eckhaus, Chuck Shuman, Irene & Jerry Lelansky, and Joe Baird got a friend of his to drive his ‘80 coupe with the stars & stripes painted on it (nice friend!!!). We did have a couple of “no-shows”, so to those that wanted to participate but couldn’t, I am sorry. We did manage to have a better showing than the mustang club, which had only one car in attendance. I heard that most of the other mustangs were at the DC parade downtown. Maybe we should think about that parade for next year?

One last snafu, before the kick off of the parade – they had staged the parade participants in a parking lot and we were going to have to drive up a slight incline and off a curb – “I don’t think so” – not in a Corvette with only 2” of clearance. So the organizers were very accommodating and managed to get us re-routed to the parade start via surface streets – Whew!

All of the organizational issues aside, we were blessed with gorgeous weather, warm without being too hot and plenty of sunshine. I believe a good time was had by all. There were bands, clowns, antique vehicles, dancers, and other groups and clubs – even Ronald McDonald made an appearance to entertain the kids.

Remember, in order to have fun in the club, you have to participate... Save the wave! JD3

The NVCC HPDE

Most of us have probably sat and watched James Bond scream through the streets of some foreign town, dodging bullets, bad guys and still flirting with a beautiful woman in the passenger seat. Maybe you’ve watched a series at Lemans, or some other racing series and wished you could have been in there. Sitting back and wishing is easy to do... but getting out there and doing it some...well..it’s just plain scary.

A few years ago, I ran at our NVCC SpookTacular event at Summit Point. Although I managed to not hurt anything and drove home under my own power, I admit that there was definitely a combination of being scared, frustrated and exalted all at the same time. What amazed me most were the women, who were tearing up that track!! I told one of them I would never say, “Drives like a woman” again, and I haven’t.

So, it was with some trepidation that I signed up for the HPDE. Not that I wasn’t comfortable driving, but more so that I didn’t want to embarrass myself out there. The first lap was the scariest...the lap where my instructor, Steve Theiss drove my car around the track. Track monitors got on me for having my arm out the window. It may of looked like I was being casual, but in fact I was holding on for dear life. Yes, I’m Type A, and a control freak.

Prior to the session, we were taught traction and tires and turning. How to skid out some properly, let the car line itself up. Slow in, Fast out! Hit your Marks.

With the first session underway, it was learning the lines. Not going extremely fast, learning to trust my brakes and go deeper into turns, quicker on the gas, smoother rolling out of a turn. I let someone by me, who was instructed by Mike Sarver, and began to watch his lines. Finally the session was over, and it was time to get some off-line critiquing of the session. I guess I didn’t do it poorly, as my instructor hopped back into the car with me and off we went!

The first 3 sessions were mostly me getting more comfortable with the car, the track, and more importantly, Steve’s lessons. Talk about a very patient man!!!

The last 2 sessions were pretty much full wide open “get what you can”. In these, usually before Steve could say anything I was already saying it. I’m sure Steve got tired of hearing “Damn, I turned to early” or “Argh! Brake after the turn!!”, but it wasn’t until the last session that I realized I was truly “throwing the car around” and having some fun. The best part was realizing that the only person who had passed me was the car I let by in the first session so I can learn his lines, and that I was pulling on other Z06’s. Man that car is freaking awesome!!!

In fact, the entire day was incredible. I wasn’t the fastest driver out there, nor the slowest. In fact, it was a blast passing cars. I can see how this gets so addicting! If you haven’t done this yet, and are considering it...do it!!! I’ll be out there again. One thing I learned, is that man, I have a lot to learn! Jeff Kirk

selling tshirts and raffles, asking businesses for door prizes, calling out raffle ticket numbers, handing out goodie bags, bringing coffee & donuts, or lending a hand in general...it was ALL appreciated.

Without all of the members' help, there is no show. But even better were the hugs of support from everyone...I love you all. I cannot thank enough our primary sponsor, Koons, for their hospitality. Koons, was instrumental in making this show happen, and he has my un-show run smoothly, a Concours Director's dream! Also, big thanks to door prizes to our event. A lot of people went home with something, We had close to 60 beautiful vettes at the show...not too shabby. Next was all done with about eight weeks notice! Already have the wheels

and support. Carl Leckner, GM of dying gratitude. He helped make this the tons of businesses who donated and that is great. year we will make it even bigger. This turning! But there is still work to do to

finish this one up. award plaques to show, etc. Hope-within a couple memory!

Thank you letters are going to be ordered and sent, notes for improvement for next year's fully we weeks

I really am so thrilled that everyone enjoyed hope that next year we see everyone again and that made all the behind-the-scenes work/stress/

out, class can close it out and make it a fond themselves and then some. All I saw were smiling faces and worry worth it. I got so many compliments beside myself with awe and gratitude to all and people who showed up and helped today. I was so moved by one woman who won an award who started to cry tears of joy...I almost broke down, myself. To see someone that surprised and happy really hit me hard!

Laurie Kistner Concour chair extraordinaire!

that I am just those club members

Grateful concour award winner!

and people who showed up and helped today. I was so moved by one woman who won an award who started to cry tears of joy...I almost broke down, myself. To see someone that surprised and happy really hit me hard!

Mark and Barb ready to go rallyeing!

Rallye #1 2005 WINNERS—Jerry Myers and his daughter Pamella

Chuck Pellerin, Rallye Master, "where did some of these answers come from???"

Nothing special here, I just liked this picture of Judy at the rallye

Thanks to Chuck Pellerin and George Kerns for all the great photos

Northern Virginia Corvette Club
