### INSIDE THIS ISSUE:

PROPOSED AMENDED NVCC BY-LAWS EFFECTIVE OCTOBER 2017	1—26
------------------------------------------------------	------

Congratulations to all on making it to the three-quarters mark of 2017. I'm reflecting on the successes we've enjoyed so far this year: The modernization and full update of the Club's bylaws (to be voted on at this month's GBM, by the way). Another successful Corvettes Care show for MS at Page Chevrolet. Already a plethora of cruises led by veterans and newbies alike: Ice cream, wineries, Appomattox, car shows. Our first breakfast GBM in recent history, with more on the way. And continuous, twice-a-year offerings of Teen Driving Schools (TDS; TRSS as it's called now) for 13 years straight! Wonderful! Thank you, NVCC, for these successes!!

Your council has built on the experiences of past officers to finish off 2017 with a bang and the calendar is filling nicely for 2018. I wanted to take this opportunity to bring up something for you all to think about, that will make it easier to contribute to your favorite Corvette Club. With a refreshed look at the bylaws, starting now with the elections and on into 2018, three committees will be formed: a 50th Anniversary Celebration committee (April 2019 will be our 50th year as a not-for-profit club), Corvettes Care Car Show committee, and Social Activities committee. In a recent conversation with past president and trivia expert, Rick Poage, we have a pool of great minds and enthusiasm that's going untapped right now. So I'm reaching out to each of you, our membership and your significant others, to decide which of these three committees to join. On a committee, the responsibilities will naturally be lessened as more members join, so that the overall task will be less daunting.

Do not take the approach that by not coming to this coming October GBM you won't be selected for an officer or council position (the contrary might come true if you're not there!). Come to make nominations or volunteer for a council position or one of our new committees. Your Club Secretary, Vicki-Allen Scott, would like to chair the Activities Committee and therefore wishes to relinquish her office of Secretary for 2018. This position requires twice a month commitments for note taking at the GBM and at the council meetings, and to work closely with Vicki on the club calendar and activities. Speaking for myself and the other officers, nominated positions (VP, Treasurer and Officer at Large), we wish to continue in our roles. It doesn't mean that if you wish to run for one of these offices, you cannot be nominated.

I want to see a record turnout in October; doesn't matter how you get to the meeting, we want to see you! We should have our club stickers by then and mock ups of name tags soon to roll out. Also remember to renew by 11/1/17. See you on October 24!

Now, in the pages following, your council is presenting you a chance to review the full set of freshly revised and updated club bylaws. We are revising them from 2014 to align some of the language to the ways we operate as a club in this modern era, such as new language allowing for inclusion of social media and how it's handled. Keep in mind, upon your first read, some of this language sounds very "strict" (to us non-lawyer types) but by the same token, it is also non-restrictive and freeing. So please send your written comments via email with a markup of the PDF to either Officer@nvcorvetteclub.com, Secretary@nvcorvetteclub.com or Newsletter@nvcorvetteclub.com.

Thank you.  
Kris McCandless, President
